

BUFFALO URBAN DEVELOPMENT CORPORATION

AMENDED AND RESTATED PROCUREMENT POLICY

A. Scope and Purpose.

Pursuant to Section 2824 of the Public Authorities Law, the Buffalo Urban Development Corporation (“BUDC”) is required to establish and adopt a procurement policy. This Amended and Restated Procurement Policy (“Policy”) shall also be applicable to all procurements undertaken by any existing subsidiary or affiliated organizations of BUDC and such other subsidiaries and affiliates as may hereafter be established by BUDC.

B. Procurement Procedures.

1. Solicitation Procedures for the Purchase of Goods and Services.
 - a. Up to \$10,000 per instance – Documented verbal quotes or written/fax/email quotes from at least two vendors.
 - b. Greater than \$10,000 to \$25,000 per instance – Written/fax/email quotes from at least three vendors.
 - c. Greater than \$25,000 to \$100,000 per instance – Formal written Request for Proposal (RFP) submitted to at least three vendors and posted at the BUDC website.
 - d. Greater than \$100,000 per instance – Formal written Request for Proposal (RFP) submitted to at least three vendors, posted at the BUDC website and publicly noticed in the NYS Contract Reporter.
 - e. Notwithstanding the foregoing, if it is reasonably anticipated that cumulative procurements pursuant to subsections (a) or (b) above will cost between \$25,000 and \$100,000 per calendar year for a single vendor or service, BUDC shall comply with the provisions of subsection (c) above; or if such cumulative procurements are reasonably anticipated to cost over \$100,000 per calendar year, BUDC shall comply with the provisions of subsection (d) above.
2. Exceptions. Alternative proposals or quotations shall not be required for procurements made through or with respect to:
 - a. New York State or Erie County contracts.
 - b. State Finance Law Section 175-b (from agencies for the blind or severely handicapped).

- c. Correction Law Section 186 (articles manufactured in correctional institutions).
- d. Emergency Procurements – an emergency exists if the delay caused by soliciting quotes would endanger public health, welfare or property. Approval of the President after consultation with the officers of BUDC is necessary, which shall be documented in the procurement file and shall include a description of the facts giving rise to the emergency and the basis for selecting the particular vendor.
- e. Time Sensitive Economic Development Opportunity – An opportunity is time-sensitive when a vendor must be retained quickly to avoid a delay that would adversely impact an economic development project or initiative of BUDC. Such time-sensitive situations include, but are not limited to: the possible loss of grant funding; the termination, default or withdrawal of an existing vendor; the need to respond to a court order or regulatory directive; or some other compelling need for goods or services. Approval of the President after consultation with the officers of BUDC is necessary, which shall be documented in the procurement file and shall also include a description of the facts relating to the time-sensitive opportunity and the basis for selecting the particular vendor.
- f. Sole Source Procurements – A “sole source” means a situation where (i) there is only one possible source in the marketplace for the goods or services, (ii) no other goods and/or services provide substantially equivalent or similar benefits, and (iii) considering the benefits, the cost to BUDC is reasonable and in the best interests of BUDC. Approval of the President after consultation with the officers of BUDC is necessary, which shall be documented in the procurement file along with an explanation of the basis for the procurement qualifying as a sole source procurement.
- g. Single Source Procurements – A “single source” means a situation where, even though two or more vendors are available to supply the required goods or services, BUDC determines that: (i) one particular vendor has unique knowledge or expertise with respect to the required goods, services or project, rendering the use of competitive procedures impractical; and (ii) considering the benefits, the cost to BUDC is reasonable. Approval of the President after consultation with the officers of BUDC is necessary, which shall be documented in the procurement file along with an explanation of the basis for concluding that a single

source procurement was in the best interests of BUDC and the manner in which BUDC identified the selected vendor.

- h. Utilities and Affiliate Transactions – The purchase of utilities and inter-affiliate or subsidiary transactions are excepted from alternative proposal/quotation requirements.
- i. Unavailability of the minimum number of vendors required under Section B, as applicable, that are able or willing to respond to a solicitation.
- j. Resolution Waiving Solicitation Requirements – The BUDC Board of Directors may adopt a resolution prospectively waiving solicitation requirements upon the Board’s determination that solicitation would be impractical and such waiver is in the best interests of BUDC.

3. Basis for the Award of Contracts.

It is the general policy of BUDC to award contracts to the lowest responsible dollar offeror who meets the specifications therefor. BUDC may award contracts to other than the lowest responsible dollar offeror under circumstances that BUDC determines justify an award to other than the lowest responsible dollar offeror. In making any such determination, BUDC shall consider relevant factors including, without limitation:

- a. The vendor is an MBE or WBE firm, or relative to other vendors for the specific procurement has demonstrated the ability to meet or exceed applicable M/WBE and/or minority or workforce participation requirements;
- b. Delivery, quality and quantity requirements;
- c. Past vendor performance and/or experience;
- d. Which proposal is most advantageous to BUDC, considering other factors in addition to price;

- e. Unavailability of the minimum number of vendors required under Section B, as applicable, that are able or willing to respond to a solicitation; and
- f. Any procurement excepted from the alternative proposal/quotation requirements as set forth in subsection 2 of this Section B, and the procurement of professional services in Section E of this Policy.

4. Documentation; Procurement Tracking Form.

Each procurement made under this Policy shall be documented on a separate Procurement Tracking Form, the form of which is attached hereto as Schedule A and made a part hereof. An annual procurement report shall be presented to the Audit & Finance Committee.

5. Contents of Requests for Proposals (RFP).

For all procurements under this Policy that require an RFP, the following information shall be included in the solicitation:

- a. Goods being sought or the scope of services desired;
- b. The projected term of the contract;
- c. Criteria to be used in evaluating proposals and the requirements that must be fulfilled;
- d. Schedule of relevant dates;
- e. Insurance requirements;
- f. M/WBE goals; and
- g. Designation of the BUDC representative to whom communications regarding the RFP should be directed.

6. Contents of Requests for Qualifications (RFQ).

For all procurements under this Policy that require an RFQ, the following information shall be included in the solicitation:

- a. The scope of services desired;

- b. Criteria to be used in evaluating qualifications and the requirements that must be fulfilled;
- c. Insurance requirements, if applicable;
- d. M/WBE goals; and
- e. Designation of the BUDC representative to whom communications regarding the RFQ should be directed.

C. Erie County Businesses and Minority & Women Owned Enterprises.

It is the goal of BUDC to provide opportunities for the purchase of goods and services from (i) business enterprises located in Erie County and (ii) certified minority and/or women-owned business enterprises. To that end, BUDC will utilize available lists of M/WBE businesses certified by Erie County and/or State of New York and use its best efforts to solicit proposals from such businesses by notifying them of opportunities to submit proposals for goods or services when practical. In addition, where the procurement of a specific good or service is to be accomplished using funds other than the funds of BUDC or its affiliates, BUDC shall comply with all M/WBE goals and other M/WBE requirements applicable to such funding.

D. Effect on Other Procurement Requirements.

Where the procurement of a specific good or service is to be accomplished using funds other than the funds of BUDC and such funding sources specify different or more restrictive procurement requirements than are provided for in this Policy, the procurement requirements of the funding source will supersede the requirements of this Policy.

In those instances where BUDC is a recipient of federal funds which it will use to pay for goods or services, the procurement provisions set forth in 2 C.F.R §200.318 et seq. shall apply, including procurement requirements applicable to goods or services that exceed \$150,000 in value (as such amount is adjusted in accordance with 48 C.F.R. Section 2.101). For procurements using federal funds, BUDC shall include in its contract with the vendor or contractor the applicable contract provisions set forth in Appendix II to Part 200 of Title 2 of the Code of Federal Regulations, or any successor regulation or appendix.

E. Professional Services.

Contracts for professional services involve the application of specialized expertise, the use of professional judgment, or a high degree of creativity. Professional services include services which require special education and/or training, license to practice or are creative in nature. Examples are: lawyers, doctors, accountants, and engineers. Furthermore, professional service contracts often involve a relationship of personal trust and confidence. Procurement of professional services in an amount up to \$25,000 is not subject to the solicitation procedures contained in Sections B(1)(a) and (b) of this Policy. Procurement of professional services in an amount greater than \$25,000

shall be made through a written Request for Proposal (RFP) or a Request for Qualifications (RFQ) process.

F. Procurement of Insurance.

Procurement of Insurance Brokerage services is subject to this Policy as a professional service. Notwithstanding the foregoing, actual insurance policies procured are not subject to the requirements of this Policy.

G. Procurement Lobbying.

BUDC shall follow the applicable provisions of the New York Procurement Lobbying Law (State Finance Law §§ 139-j, 139-k) for any contract or other agreement for an article of procurement involving an estimated annualized expenditure in excess of \$15,000.

H. Reporting Requirements.

Procurements are intended to be made for no greater than the fair market value of the asset procured. In the event circumstances exist in which the acquisition of an asset is made where the contract price to be paid by BUDC exceeds the fair market value of the asset, BUDC shall include in its annual report required by Section 2800(2) of the Public Authorities Law a detailed explanation of the justification for making the purchase and a certification by the President and Chief Financial Officer of BUDC that they have reviewed the terms of the acquisition and determined that it complies with applicable law and this Policy.

I. Approval Thresholds.

The following approval thresholds shall apply to the procurement of all goods and services, except those procurements made under Section B(2)(d) and (e):

1. The President and Executive Vice President of BUDC are each authorized to procure goods and services in an amount up to \$10,000. Prior to procuring such goods or services, the President or Executive Vice President shall confer with the Treasurer to confirm that the proposed expenditure is within budgetary limits. The President or Executive Vice President shall report the procurement of goods and services at the next Board of Directors meeting following the date of procurement.
2. The Audit and Finance Committee, Downtown Committee and Real Estate Committee, as applicable, are each authorized to approve the procurement of goods and services greater than \$10,000, but not in excess of \$25,000. Prior to procuring such goods or services, the President and applicable committee chair shall confer with the Treasurer to confirm that the proposed expenditure is within budgetary limits. The President or Executive Vice President shall report the procurement of goods and

services authorized by the applicable committee at the next BUDC Board of Directors meeting following the date of procurement.

3. The procurement of goods and services in an amount greater than \$25,000 shall require the approval of the BUDC Board of Directors. By resolution, the Board may delegate to BUDC executive staff or a committee of the Board the authority to procure goods or services in an amount greater than \$25,000 without Board approval.
