

Buffalo Lakeside Commerce Park

Transforming former industrial land into a vital commercial community.

Buffalo Lakeside Commerce Park (BLCP) is a “smart growth” urban commerce park, on reclaimed waterfront land in Buffalo, NY, with multi-modal transportation opportunities and excellent access to the interstate.

Build Now – NY Shovel Ready Certified Site

Buffalo Lakeside Commerce Park

A premier brownfield redevelopment on Lake Erie in Buffalo, NY.

Buffalo Lakeside Commerce Park (BLCP) is a premier brownfield redevelopment project in the City of Buffalo, developed by Buffalo Urban Development Corp. Nearly \$30 million has been invested by New York State, Erie County, the City of Buffalo and National Grid in site preparation and infrastructure construction, to reclaim this once fallow land for productive use. CertainTeed Corp., Cobey, Inc., Sonwil Distribution and Uniland Development have made multi-million dollar investments as land purchasers, employing approximately 400 workers.

The transformation of the Union Ship Canal area into the Buffalo Lakeside Commerce Park has been both physical and programmatic. Physical improvements that have been undertaken to bring the site to a “development ready” state include geo-technical analysis, surface and sub-surface investigation, demolition, site clearance, and road/utility/infrastructure construction. In addition to fully-serviced sites, BLCP offers these inducements to prospective developers:

- NY Shovel Ready Certified Site
- Potential NYS Brownfield Cleanup Program (BCP) Tax Credits
- Completed Generic Environmental Impact Statement for SEQRA
- Design Guidelines Established (Zoning/Land Use)
- Competitive Land Pricing
- Environmentally-Sensitive Business Park
- New York Power Authority Hydropower Zone
- Potential NYS Excelsior Program Benefits (Investment Zone)
- National Grid electric service available for commercial/industrial uses, including Economic Development Program incentives
- Opportunity Zone

“The addition of these high-quality development sites will keep the City Industrial Submarket well positioned for future opportunities.”

— CBRE|Buffalo, Western New York, Industrial, MarketView

BLCP Details:

ACRES AVAILABLE	Approximately 12 Acres
COUNTY	Erie
FORMER USE	Industrial (Steel Manufacturing)
ZONING	Mixed Use (Office & Light Industrial)
PRICE	\$35,000 to \$50,000 per acre
