Roll Call; Order of Business – The Secretary called the roll of the members of the Audit & Finance Committee at 12:05 p.m. and a quorum of the Committee was determined to be present. Ms. Curry joined the meeting during the presentation of agenda item 2.0

The meeting was held via video/telephone conference in accordance with the provisions of Executive Order 202.1, issued by Governor Andrew Cuomo on March 12, 2020. The meeting was also live-streamed to the general public and recorded. A transcript of the meeting will be made available at a later date.

- **Approval of Minutes of the June 10, 2020 Meeting** The minutes of the June 10, 2020 meeting of the Audit & Finance Committee were presented. Mr. Nasca made a motion to approve the meeting minutes. The motion was seconded by Mr. Comerford and unanimously carried.
- **Buffalo Urban Development Corporation Draft 2019 990/990-T** Ms. Profic reviewed with the Committee the draft IRS Form 990/990T prepared by Freed Maxick, copies of which were circulated to the Committee in advance of the meeting. BUDC has obtained a filing extension until November but was required to make estimated tax payments. Ms. Profic reviewed the tax payments as outlined in a separate handout. These payments are attributable to the tax credits structure that was established for the 683 Northland project. The tax bill is approximately \$57,000. Ms. Profic noted that the Buffalo Brownfields Redevelopment Fund would be used to reimburse this expense. She also indicated that she would report at the July Board meeting that a copy of the draft Form 900/990T will be made available for Board member review and comment.

- 3.0 <u>Cash Flow Analysis Process / Timeline</u> Ms. Profic reported that BUDC has engaged Freed Maxick at a cost not to exceed \$7500.00 to prepare the analysis requested by the Committee of the tax credits projections and cash flows for the 683 Northland project. Ms. Cammarata commented that the analysis will be utilized by BUDC to help develop the 2021 budget.
- **4.0** <u>Historic Tax Credit Certification Update</u> Ms. Profic informed the Committee that Freed Maxick is working on the Phase 2 cost certification that is needed in order to receive the fourth installment of historic tax credits equity. A draft report is expected by the end of July.
- Draft Amended and Restated Leasing Policy for Northland Corridor Properties Mr. Cammarata and Mr. Zanner presented the proposed amendment to the BUDC Leasing Policy for Northland Corridor Properties. Mr. Cammarata noted that several tenants have made requests to modify lease terms due to the COVID-19 pandemic. Mr. Zanner reviewed the proposed amendment, which would specifically authorize the President to modify existing lease terms except in those instances where the modification would result in a rent reduction of more than a to-be-determined percentage of the overall rent or would result in an adjustment to the duration of the lease. Those modifications would be subject to approval of the Real Estate Committee. Mr. Penman suggested that the policy be amended so that the President is the sole officer authorized to take action under the policy, and that references in the policy to the Vice President or Executive Vice President having concurrent authority should be deleted. Mr. Cammarata noted that the proposed amendment will be reviewed with the Governance Committee and the Real Estate Committee before it is presented to the Board of Directors for approval.
- **Adjournment** There being no further business to come before the Committee, upon motion made by Ms. Curry, seconded by Mr. Comerford and unanimously carried, the July 13, 2020 meeting of the Audit & Finance Committee was adjourned at 12:30 p.m.

Respectfully submitted,

Kevin J. Zanner Secretary

MEMORANDUM

TO: Audit & Finance Committee

FROM: Mollie Profic, Treasurer

SUBJECT: Reimbursement of Expenses from Brownfield Fund

DATE: September 21, 2020

The Buffalo Brownfields Redevelopment Fund ("BBRF" or the "Fund") allows certain third party expenses incurred by BUDC in connection with the development of Buffalo Lakeside Commerce Park ("BLCP") to be reimbursed. Under the Fund Administration Agreement, these out-of-pocket third party costs "include, but are not limited to, land acquisition, site investigations, site planning, remediation, road and utility construction and related legal costs."

On September 26, 2012, the BUDC Board designated the BLCP project as complete, which allowed for the expansion of the use of BBRF funds to "other comparable projects" in the City of Buffalo. Riverbend, Northland 308 Crowley Street were designated "comparable" projects by the BUDC Board beginning October 1, 2012 and January 1, 2015 and June 26, 2018 respectively.

Since 2011, reimbursements have been approved for costs incurred related to BLCP, Riverbend, Northland and 308 Crowley. Most recently, the annual reimbursement of BLCP, Riverbend, Northland and 308 Crowley costs of \$787,930 for 2019 were approved by the Board on March 31, 2020.

Since 2018, BUDC has incurred unrelated business income tax (UBIT) due to interest income from a loan to 683 WTC, LLC as part of the 683 Northland project tax credit financing. The amount of UBIT due to Federal and New York State taxing authorities from the 2019 tax returns totaled \$57,796. Estimated tax payments totaling \$40,640 must be made deposited during 2020 toward the 2020 UBIT liability. To date, \$30,480 of estimated tax payments have been made.

In consideration of BUDC's cash flow interruptions during the COVID-19 pandemic, I am requesting authorization to reimburse \$98,436 to BUDC from the BBRF immediately. After this reimbursement, the BBRF is anticipated to have a balance of \$1.3 million.

Action:

Requesting that the Committee recommend the reimbursement to BUDC of \$98,436 in unrelated business income taxes related to Northland from the BBRF as described above.

BUFFALO URBAN DEVELOPMENT CORPORATION

AMENDED AND RESTATED LEASING POLICY FOR NORTHLAND CORRIDOR PROPERTIES

A. Purpose.

This leasing policy (the "<u>Leasing Policy</u>") sets forth the requirements and procedures for the leasing of buildings located in the Northland Corridor Project area that are owned by Buffalo Urban Development Corporation or any of its subsidiary or affiliated companies (hereinafter "<u>BUDC</u>").

B. Leasing Requirements.

1. Written Appraisal.

BUDC shall engage a licensed appraiser to prepare a written fair market rent study ("FMR Study") for the buildings located at 631, 683 and 741 Northland Avenue and 537 East Delavan Avenue and 714 Northland Avenue (the "Northland Properties") prior to entering into any lease arrangement. The FMR Study shall be updated from time to time to account for changing market conditions as determined by BUDC.

2. Marketing.

BUDC, through its property manager/rental agent, shall publicly advertise and market the Northland Properties to prospective tenants at rental rates that are consistent with their appraised fair market rent value as set forth in the FMR Study (the "<u>Appraised Rent Value</u>").

3. Tenant Use.

BUDC shall not lease any of the Northland Properties for a use that is inconsistent with the overall redevelopment plan of the Northland Corridor or not reflective of the surrounding community, or for any purpose that is inconsistent with BUDC's corporate purpose, mission or the law under which BUDC is incorporated.

4. Negotiation of Lease Transactions.

All leases of Northland Properties shall be made through negotiation, upon terms and conditions acceptable to BUDC and authorized in compliance with the terms of this Leasing Policy. Without limiting the generality of the preceding sentence, the specific lease terms to be negotiated will be reflective of the particular location (i.e., building, building space or property) to be leased, and may include provisions for tenant improvements, triple net lease obligations and such other commercial lease terms and conditions as BUDC deems appropriate.

C. Procedure for Lease Approvals.

1. Short Term Leases.

The President of BUDC shall have the authority to negotiate and execute all leases that are for a term of one (1) to twelve (12) months with annual rent of no more than Fifteen Thousand Dollars (\$15,000), provided that the rent to be received under the lease is not less than the Appraised Rent Value of the property. The President shall report the terms of any lease entered into in accordance with this paragraph at the respective meetings of the Real Estate Committee and Board of Directors that immediately follow the date of execution of the lease.

2. Mid-Term/Mid-Size Leases.

The BUDC Real Estate Committee shall have the authority to authorize the negotiation and execution by the President of the following categories of leases:

- (a) Leases that are for a term of one (1) to twelve (12) months with annual rent of more than Fifteen Thousand Dollars (\$15,000) but less than Twenty Five Thousand Dollars (\$25,000), provided that the rent to be received under the lease is not less than the Appraised Rent Value of the property; and
- (b) Leases that are for a term of more than twelve (12) months up to thirty-six (36) months with annual rent of Twenty Five Thousand Dollars (\$25,000) or less, provided that the rent to be received under the lease is not less than the Appraised Rent Value of the property.
- (c) All leases executed in accordance with paragraph 2(a) or 2(b) this section shall be reported at the next meeting of the BUDC Board of Directors that follows the date of execution of the lease.

3. <u>Leases Requiring Board Approval.</u>

The approval of the BUDC Board of Directors of a Northland Properties lease arrangement shall be required under the following circumstances:

- (a) Any lease in which the rent to be received by BUDC is less than the Appraised Rent Value of the property.
 - (b) Any lease for a term that exceeds thirty-six (36) months.
- (c) Any lease in which the annual rent is in excess of Twenty Five Thousand Dollars (\$25,000).

D. Other Requirements.

1. Leases for Less than Appraised Rent Value.

The procedures for Board review and approval that are set forth in Article III(B)(5) of the BUDC Property Disposition Guidelines shall apply to any proposed lease in which the rent to be received by BUDC is less than the Appraised Rent Value of the property. For purposes of determining whether the rent to be received by BUDC under a particular lease arrangement is less than the appraised fair market rent, any costs that the tenant will be responsible for under the terms of the lease, including base rent, items of additional rent (utilities, CAM charges, insurance, etc.) and any tenant improvements to be paid for or financed by the tenant may be factored into such determination at BUDC's discretion.

2. Written Statements.

Written statements shall be prepared and submitted as required under Article III(B)(4) of the BUDC Property Disposition Guidelines for any lease in which the annual base rent over the term of the lease exceeds Fifteen Thousand Dollars (\$15,000).

E. Lease Modifications.

The President of BUDC shall present each proposed modification of an existing lease to the Real Estate Committee for Committee review and comment. Following such review and consistent with such Committee input, the President shall have the authority to negotiate and execute the lease modification, provided however, that the affirmative vote of a majority of the BUDC Real Estate Committee shall be required for any proposed modification to (i) reduce the amount of rent payable by a tenant over the term of the lease by an amount up to \$25,000; or (ii) reduce or extend the term of any lease.

In addition, the approval of the BUDC Board of Directors shall be required for any lease modification that would result in (i) a reduction of \$25,000 or more in the amount of rent payable by a tenant over the term of the lease, or (ii) a reduction of twenty percent (20%) or more in the amount of rent payable by a tenant over the term of the lease. The President shall report on any modifications entered into in accordance with this paragraph at the respective meetings of the Real Estate Committee and Board of Directors that immediately follow the date of the modification.

F. Effective Date; Amendments.

This Amended and Restated Leasing Policy shall be effective as of the date that the Board of Directors approves the policy by affirmative vote of a majority of the Board, and may be amended upon the affirmative vote of a majority of the Board.
