## BUFFALO URBAN DEVELOPMENT CORPORATION

### AMENDED AND RESTATED PROCUREMENT POLICY

#### A. Scope and Purpose.

Pursuant to Section 2824 of the Public Authorities Law, the Buffalo Urban Development Corporation ("BUDC") is required to establish and adopt a procurement policy. This Amended and Restated Procurement Policy ("Policy") shall also be applicable to all procurements undertaken by any existing subsidiary or affiliated organizations of BUDC and such other subsidiaries and affiliates as may hereafter be established by BUDC.

#### B. Procurement Procedures.

##### 1. Solicitation Procedures for the Purchase of Goods and Services.

- a. Up to \$10,000 per instance – Documented verbal quotes or written/fax/email quotes from at least two vendors.
- b. Greater than \$10,000 to \$25,000 per instance – Written/fax/email quotes from at least three vendors.
- c. Greater than \$25,000 to \$100,000 per instance – Formal written Request for Proposal (RFP) submitted to at least three vendors and posted at the BUDC website.
- d. Greater than \$100,000 per instance – Formal written Request for Proposal (RFP) submitted to at least three vendors, posted at the BUDC website and publicly noticed in the NYS Contract Reporter.
- e. Notwithstanding the foregoing, if it is reasonably anticipated that cumulative procurements pursuant to subsections (a) or (b) above will cost between \$25,000 and \$100,000 per calendar year for a single vendor or service, BUDC shall comply with the provisions of subsection (c) above; or if such cumulative procurements are reasonably anticipated to cost over \$100,000 per calendar year, BUDC shall comply with the provisions of subsection (d) above.

##### 2. Exceptions. Alternative proposals or quotations shall not be required for procurements made through or with respect to:

- a. New York State or Erie County contracts.
- b. State Finance Law Section 175-b (from agencies for the blind or severely handicapped).

- c. Correction Law Section 186 (articles manufactured in correctional institutions).
- d. Emergency Procurements – an emergency exists if the delay caused by soliciting quotes would endanger public health, welfare or property. Approval of the President after consultation with the officers of BUDC is necessary, which shall be documented in the procurement file and shall include a description of the facts giving rise to the emergency and the basis for selecting the particular vendor.
- e. Time Sensitive Economic Development Opportunity – An opportunity is time-sensitive when a vendor must be retained quickly to avoid a delay that would adversely impact an economic development project or initiative of BUDC. Such time-sensitive situations include, but are not limited to: the possible loss of grant funding; the termination, default or withdrawal of an existing vendor; the need to respond to a court order or regulatory directive; or some other compelling need for goods or services. Approval of the President after consultation with the officers of BUDC is necessary, which shall be documented in the procurement file and shall also include a description of the facts relating to the time-sensitive opportunity and the basis for selecting the particular vendor.
- f. Sole Source Procurements – A “sole source” means a situation where (i) there is only one possible source in the marketplace for the goods or services, (ii) no other goods and/or services provide substantially equivalent or similar benefits, and (iii) considering the benefits, the cost to BUDC is reasonable and in the best interests of BUDC. Approval of the President after consultation with the officers of BUDC is necessary, which shall be documented in the procurement file along with an explanation of the basis for the procurement qualifying as a sole source procurement.
- g. Single Source Procurements – A “single source” means a situation where, even though two or more vendors are available to supply the required goods or services, BUDC determines that: (i) one particular vendor has unique knowledge or expertise with respect to the required goods, services or project, rendering the use of competitive procedures impractical; and (ii) considering the benefits, the cost to BUDC is reasonable. Approval of the President after consultation with the officers of BUDC is necessary, which shall be documented in the procurement file along with an explanation of the basis for concluding that a single

source procurement was in the best interests of BUDC and the manner in which BUDC identified the selected vendor.

- h. Utilities and Affiliate Transactions – The purchase of utilities and inter-affiliate or subsidiary transactions are excepted from alternative proposal/quotation requirements.
- i. Unavailability of the minimum number of vendors required under Section B, as applicable, that are able or willing to respond to a solicitation.
- j. Resolution Waiving Solicitation Requirements – The BUDC Board of Directors may adopt a resolution prospectively waiving solicitation requirements upon the Board's determination that solicitation would be impractical and such waiver is in the best interests of BUDC.

3. Basis for the Award of Contracts.

It is the general policy of BUDC to award contracts to the lowest responsible dollar offeror who meets the specifications therefor. BUDC may award contracts to other than the lowest responsible dollar offeror under circumstances that BUDC determines justify an award to other than the lowest responsible dollar offeror. In making any such determination, BUDC shall consider relevant factors including, without limitation:

- a. The vendor is an MBE or WBE firm, or relative to other vendors for the specific procurement has demonstrated the ability to meet or exceed applicable M/WBE and/or minority or workforce participation requirements;
- b. Delivery, quality and quantity requirements;
- c. Past vendor performance and/or experience;
- d. Which proposal is most advantageous to BUDC, considering other factors in addition to price;

- e. Unavailability of the minimum number of vendors required under Section B, as applicable, that are able or willing to respond to a solicitation; and
- f. Any procurement excepted from the alternative proposal/quotation requirements as set forth in subsection 2 of this Section B, and the procurement of professional services in Section E of this Policy.

4. Documentation: Procurement Tracking Form.

Each procurement made under this Policy shall be documented on a separate Procurement Tracking Form, the form of which is attached hereto as Schedule A and made a part hereof. An annual procurement report shall be presented to the Audit & Finance Committee.

5. Contents of Requests for Proposals (RFP).

For all procurements under this Policy that require an RFP, the following information shall be included in the solicitation:

- a. Goods being sought or the scope of services desired;
- b. The projected term of the contract;
- c. Criteria to be used in evaluating proposals and the requirements that must be fulfilled;
- d. Schedule of relevant dates;
- e. Insurance requirements;
- f. M/WBE goals; and
- g. Designation of the BUDC representative to whom communications regarding the RFP should be directed.

6. Contents of Requests for Qualifications (RFQ).

For all procurements under this Policy that require an RFQ, the following information shall be included in the solicitation:

- a. The scope of services desired;

- b. Criteria to be used in evaluating qualifications and the requirements that must be fulfilled;
- c. Insurance requirements, if applicable;
- d. M/WBE goals; and
- e. Designation of the BUDC representative to whom communications regarding the RFQ should be directed.

**C. Erie County Businesses and Minority & Women Owned Enterprises.**

It is the goal of BUDC to provide opportunities for the purchase of goods and services from (i) business enterprises located in Erie County and (ii) certified minority and/or women-owned business enterprises. To that end, BUDC will utilize available lists of M/WBE businesses certified by Erie County and/or State of New York and use its best efforts to solicit proposals from such businesses by notifying them of opportunities to submit proposals for goods or services when practical. In addition, where the procurement of a specific good or service is to be accomplished using funds other than the funds of BUDC or its affiliates, BUDC shall comply with all M/WBE goals and other M/WBE requirements applicable to such funding.

**D. Effect on Other Procurement Requirements.**

Where the procurement of a specific good or service is to be accomplished using funds other than the funds of BUDC and such funding sources specify different or more restrictive procurement requirements than are provided for in this Policy, the procurement requirements of the funding source will supersede the requirements of this Policy.

In those instances where BUDC is a recipient of federal funds which it will use to pay for goods or services, the procurement provisions set forth in 2 C.F.R. §200.318 et seq. shall apply, including procurement requirements applicable to goods or services that exceed \$150,000 in value (as such amount is adjusted in accordance with 48 C.F.R. Section 2.101). For procurements using federal funds, BUDC shall include in its contract with the vendor or contractor the applicable contract provisions set forth in Appendix II to Part 200 of Title 2 of the Code of Federal Regulations, or any successor regulation or appendix.

**E. Professional Services.**

Contracts for professional services involve the application of specialized expertise, the use of professional judgment, or a high degree of creativity. Professional services include services which require special education and/or training, license to practice or are creative in nature. Examples are: lawyers, doctors, accountants, and engineers. Furthermore, professional service contracts often involve a relationship of personal trust and confidence. Procurement of professional services in an amount up to \$25,000 is not subject to the solicitation procedures contained in Sections B(1)(a) and (b) of this Policy. Procurement of professional services in an amount greater than \$25,000

shall be made through a written Request for Proposal (RFP) or a Request for Qualifications (RFQ) process.

**F. Procurement of Insurance.**

Procurement of Insurance Brokerage services is subject to this Policy as a professional service. Notwithstanding the foregoing, actual insurance policies procured are not subject to the requirements of this Policy.

**G. Procurement Lobbying.**

BUDC shall follow the applicable provisions of the New York Procurement Lobbying Law (State Finance Law §§ 139-j, 139-k)) for any contract or other agreement for an article of procurement involving an estimated annualized expenditure in excess of \$15,000.

**H. Reporting Requirements.**

Procurements are intended to be made for no greater than the fair market value of the asset procured. In the event circumstances exist in which the acquisition of an asset is made where the contract price to be paid by BUDC exceeds the fair market value of the asset, BUDC shall include in its annual report required by Section 2800(2) of the Public Authorities Law a detailed explanation of the justification for making the purchase and a certification by the President and Chief Financial Officer of BUDC that they have reviewed the terms of the acquisition and determined that it complies with applicable law and this Policy.

**I. Approval Thresholds.**

The following approval thresholds shall apply to the procurement of all goods and services, except those procurements made under Section B(2)(d) and (e):

1. The President and Executive Vice President of BUDC are each authorized to procure goods and services in an amount up to \$10,000. Prior to procuring such goods or services, the President or Executive Vice President shall confer with the Treasurer to confirm that the proposed expenditure is within budgetary limits. The President or Executive Vice President shall report the procurement of goods and services at the next Board of Directors meeting following the date of procurement.
2. The Audit and Finance Committee, Downtown Committee and Real Estate Committee, as applicable, are each authorized to approve the procurement of goods and services greater than \$10,000, but not in excess of \$25,000. Prior to procuring such goods or services, the President and applicable committee chair shall confer with the Treasurer to confirm that the proposed expenditure is within budgetary limits. The President or Executive Vice President shall report the procurement of goods and

services authorized by the applicable committee at the next BUDC Board of Directors meeting following the date of procurement.

3. The procurement of goods and services in an amount greater than \$25,000 shall require the approval of the BUDC Board of Directors. By resolution, the Board may delegate to BUDC executive staff or a committee of the Board the authority to procure goods or services in an amount greater than \$25,000 without Board approval.

**J. Annual Review.**

# **BUFFALO URBAN DEVELOPMENT CORPORATION**

## **Property Disposition Guidelines**

The Buffalo Urban Development Corporation ("BUDC") is required by Section 2896 of the Public Authorities Law to adopt by resolution comprehensive guidelines regarding the use, awarding, monitoring and reporting of contracts for the disposal of Property (as defined herein). The following guidelines (the "Guidelines") are adopted pursuant to such requirement and are applicable with respect to the use, awarding, monitoring and reporting of all Property Disposition Contracts which are (i) entered into by BUDC or (ii) solicited or awarded by BUDC on behalf of any subsidiary of BUDC (a "BUDC Subsidiary").

### **ARTICLE I** **DEFINITIONS**

1. "Contracting Officer" shall mean the officer of BUDC who shall be appointed by resolution of the Board of Directors of BUDC to be responsible for the disposition of Property.
2. "Dispose" or "disposal" or "disposition" shall mean the transfer of title or any other beneficial interest in Property from BUDC or a BUDC Subsidiary to any unrelated third party.
3. "Property" shall mean personal property in excess of Five Thousand Dollars (\$5,000.00) in value, real property, or any other legally transferable interest in such property, to the extent that such interest may be conveyed to another person for any purpose, excluding an interest securing a loan or other financial obligation of another party.
4. "Property Disposition Contracts" shall mean written agreements for the sale, lease, transfer or other disposition of Property from BUDC or a BUDC Subsidiary to any unrelated third party.
5. "Real Property" shall mean real property and interests therein.

### **ARTICLE II** **APPOINTMENT AND DUTIES OF CONTRACTING OFFICER**

#### **A. Appointment**

The Contracting Officer shall be an officer of BUDC appointed by the Board of Directors

who is responsible for the supervision and direction over the custody, control and disposition of Property and responsible for BUDC's compliance with and enforcement of these Guidelines. The Vice President of BUDC shall be the Contracting Officer for purposes of these Guidelines.

**B. Duties**

The duties of the Contracting Officer shall include the following:

1. Maintaining adequate inventory controls and accountability systems for all Property under BUDC's control.
2. Periodically conducting an inventory of Property to determine which Property may be disposed of.
3. Preparing an annual written report of all Property. Each report shall include a list of all Real Property, a full description of all real and personal property disposed of during the reporting period, the price received and the name of the purchaser for all Property sold during each reporting period. Each report shall be completed and delivered to the New York State Comptroller, the Director of the Budget, the Commissioner of General Services and the New York State Legislature no later than ninety (90) days following the completion of BUDC's fiscal year.
4. Disposing of Property as promptly as possible in accordance with these Guidelines, as directed by BUDC.

**ARTICLE III**  
**PROPERTY DISPOSITION REQUIREMENTS**

**A. Method of Disposition**

1. Subject to such exceptions and/or requirements set forth in these Guidelines, in the event that BUDC or a BUDC Subsidiary determines to dispose of any of its Property, BUDC shall endeavor to dispose of such Property for at least the fair market value of the Property. The disposition of Property may be made by sale, exchange, or transfer, for cash, credit or other Property, with or without warranty, and upon such terms and conditions as are determined by BUDC to be appropriate and reasonable and consistent with these Guidelines.
2. No disposition of Real Property, or any interest in Real Property, may be made unless an appraisal of the value of such Real Property has been made by an independent appraiser and included in the record of the transaction. In addition, no disposition of any personal property, which because of its unique nature or the unique circumstances of the proposed transaction is not readily valued with reference to an active market for similar property, shall be made without an independent appraisal.

**B. Award and Approval of Property Disposition Contracts**

1. Compliance with Guidelines; Approval Requirements. All dispositions of Property shall be conducted in accordance with these Guidelines by or under the supervision of the Contracting Officer. Any proposed dispositions of real property shall be presented to the BUDC Real Estate Committee for consideration, and if approved by said committee, shall be submitted to the BUDC Board of Directors for approval or other appropriate action.

2. Disposition by Public Bid.

(a) All Property Disposition Contracts may be made only after publicly advertising for bids, unless the criteria set forth in Article III(B)(3) below has been satisfied for such contracts to be made by negotiation or public auction.

(b) Whenever public advertising for bids is required, (i) the advertisement for bids shall be made at such time prior to the disposal or contract, through such methods, and on such terms and conditions, as shall permit full and free competition consistent with the value and nature of the Property; (ii) all bids shall be publicly disclosed at the time and place stated in the advertisement; and (iii) the award shall be made with reasonable promptness by notice to the responsible bidder whose bid, conforming to the invitation for bids, will be most advantageous to BUDC and New York State, price and other factors considered.

(c) Any public bid for the disposition of Property may be rejected, refused, or declined by BUDC or the Contracting Officer on any basis or ground allowable at law.

3. Disposition by Negotiated Sale/Public Auction. The following dispositions are exempt and excepted from the public bidding requirements set forth above in Article III(B)(2) and may be consummated through a negotiated sale or by public auction:

(a) Below Market Dispositions. BUDC may dispose of Property for less than the fair market value of the Property under the circumstances set forth in Article III(B)(5) of these Guidelines.

(b) Disposition of Certain Personal Property. BUDC may dispose of personal property where such personal property has qualities separate from the utilitarian purpose of such property, such as artistic quality, antiquity, historical significance, rarity, or other quality or similar effect, that would tend to increase its value, or if the personal property is to be sold in such quantity that, if it were disposed of through public advertisement and bidding, would adversely affect the state or local market for such property, and the estimated fair market value of such property and other satisfactory terms of disposal can be obtained by negotiation.

(c) Disposition of Low FMV Property. BUDC may dispose of Property the fair market value of which does not exceed Fifteen Thousand Dollars (\$15,000.00).

(d) Disposition Following Receipt of Unacceptable Bid Prices. BUDC may dispose of Property where the bid prices received by BUDC after public advertising are not

commercially reasonable (either as to all or some part of the Property) as determined by BUDC in its sole discretion.

(e) Disposition to New York State. BUDC may dispose of Property to New York State or any political subdivision of New York State.

(f) Disposition Authorized by Law. BUDC may dispose of Property where such disposition is otherwise authorized by law.

4. Reporting Requirements Regarding Negotiated Dispositions.

(a) Preparation of Written Statements. The Contracting Officer shall prepare a written statement explaining the circumstances of each negotiated disposition of Property involving any of the following:

- (i) the negotiated disposition of personal property which has an estimated fair market value in excess of Fifteen Thousand Dollars (\$15,000.00);
- (ii) the negotiated disposition of Real Property that has an estimated fair market value in excess of One Hundred Thousand Dollars (\$100,000.00);
- (iii) the negotiated disposition of Real Property that will be disposed of by lease, if the estimated annual rent over the term of the lease is in excess of Fifteen Thousand Dollars (\$15,000.00); or
- (iv) the negotiated disposition of Real Property or real and related personal property where the same will be disposed of by exchange, regardless of value, or any Property any part of the consideration for which is Real Property.

(b) Submission of Written Statements. Written statements prepared pursuant to Article III(B)(4) shall be submitted to the New York State Comptroller, the Director of the Budget, the Commissioner of General Services and the State Legislature no later than ninety (90) days prior to the date on which the disposition of Property is expected to take place. The Contracting Officer shall maintain a copy of all written statements at BUDC's principal office.

5. Disposal of Property for Less Than Fair Market Value.

(a) No asset owned, leased or otherwise in the control of BUDC may be sold, leased or otherwise alienated for less than its fair market value unless such disposition meets one of the following requirements:

(i) The transferee is a government or other public entity, and the terms and conditions of the disposition require that ownership and use of the asset will remain with the government or any other public entity.

(ii) The purpose of the disposition is within BUDC's corporate purpose, mission or its governing statute.

(b) In the event that BUDC seeks to dispose of an asset for less than its fair market value and neither of the circumstances set forth in Section 5(a)(i) and (ii) are applicable, then BUDC shall provide written notification of the proposed disposition to the Governor, the Speaker of the Assembly and the temporary President of the Senate, and such proposed disposition shall be subject to approval or denial by the Governor, the Senate or the Assembly in accordance with the provisions set forth in the Section 2897 (7) of the Public Authorities Law.

(c) In the event a below fair market value disposition is proposed, the following information shall be provided to the BUDC Board of Directors and to the public:

(i) A full description of the asset;

(ii) An appraisal of the fair market value of the asset and any other information establishing the fair market value that may be sought by the Board;

(iii) A description of the purpose of the disposition and a reasonable statement of the kind and amount of the benefit to the public resulting from the disposition, including but not limited to the kind, number, location, wages or salaries of jobs created or preserved as required by the disposition, the benefits, if any, to the communities in which the asset is situated as are required by the disposition;

(iv) A statement of the value to be received compared to the fair market value;

(v) The names of any private parties participating in the disposition, and if different than the statement required by paragraph (iv) above, a statement of the value to the private party; and

(vi) The names of other private parties who have made an offer for such asset, the value offered, and the purpose for which the asset was sought to be used.

(d) Before authorizing the disposition of any property for less than fair market value, the BUDC Board of Directors shall consider the information described in 5(c) above and make a written determination that there is no reasonable alternative to the proposed below market disposition that would achieve the same purpose as the proposed disposition.

**ARTICLE IV**  
**GENERAL PROVISIONS**

**A. Annual Review and Submission of Guidelines**

These Guidelines shall be annually reviewed and approved by the BUDC Board of Directors. On or before the 31<sup>st</sup> day of March of each year, BUDC shall file with the New York State Comptroller a copy of the most recently reviewed and adopted guidelines, including the name of the Contracting Officer, and shall post the Guidelines on BUDC's website. Guidelines posted on BUDC's website shall be maintained at least until the Guidelines for the following year are posted on BUDC's website.

**B. Effect of Awarded Contracts**

Without limiting the generality of the preceding sentence, any deed, bill of sale, lease, or other instrument executed by or on behalf of BUDC or a BUDC Subsidiary, purporting to transfer title or any other interest in Property shall be conclusive evidence of compliance with these Guidelines insofar as concerns title or other interest of any bona fide grantee or transferee who has given valuable consideration for such title or other interest and has not received actual or constructive notice of lack of compliance with these Guidelines prior to the closing.

This policy shall apply to the Buffalo Urban Development Corporation (“BUDC”) and any other affiliated entities that may be established by BUDC upon approval by the Board of Directors of the Corporation. This policy shall apply to every director, member, officer and employee of the Corporation.

#### ***General Guidelines:***

It is the Corporation’s general policy to pay reasonable and necessary travel, conferences, meals and entertainment expenses incurred as a result of official business subject to the presentation of appropriate documentation.

Any exceptions or potential exceptions to this Policy must be submitted to the President (or in the case of the President to the Board Chair<sup>1</sup>) for approval.

### ***Section 1: Travel***

#### ***1.1 Approval of Travel:***

Travel involving overnight accommodation or travel outside of Western New York and Southern Ontario requires the approval of the President (or the Board Chair in the case of the President).

#### ***1.2 Personal Travel:***

Personal Travel is **not** reimbursable. This exclusion applies to personal travel which interrupts official travel, or precedes or follows a business trip.

Personal expenses are not reimbursable even when incurred while on a Corporation trip. Examples of such excluded expenses are pet care, house, or child-care expenses and purchase or repair of personal luggage.

---

<sup>1</sup> If the Board Chair benefited from the expenditure then the Audit Committee Chair will approve the exception. If both the Board Chair and Audit Committee Chair benefited from the expenditure then the full Board of the Corporation must approve the exception.

### **1.3 Reimbursable Travel Expenses:**

Where practical, employees should perform appropriate due diligence to obtain the lowest reasonable costs for travel expenses.

Transportation expenses shall be reimbursed based on an economical mode of transportation and the most commonly traveled route consistent with the authorized purpose of the trip.

Transportation tickets should be procured in advance in order to obtain any discounts offered by the carrier. Every reasonable effort should be made to cancel reservations on a timely basis to avoid no-show or late cancellation charges.

#### **A. Automobile Travel**

##### **i) Personal Vehicle**

Travelers may use their personal vehicle for business purposes if it is less expensive than renting a car, taking a taxi, or using alternative transportation, or if it saves time.

In most circumstances, mileage shall be computed as the distance traveled to the business destination. Mileage will be reimbursed at the prevailing IRS mileage rate reimbursement limits which are intended to cover the cost of fuel, depreciation, insurance, maintenance and other similar operating costs. Expenses related to the mechanical failure or accidents to personal cars are not reimbursable.

When utilizing a personal vehicle for business, travelers must maintain liability insurance on the vehicle in accordance with New York State requirements. The Corporation may periodically request proof of insurance from such travelers.

##### **ii) Rental Cars**

A vehicle may be rented when renting would be more advantageous to the Corporation than other means of commercial transportation, such as using a taxi. Advance reservations should be made whenever possible and a compact or economy model should be requested unless the itinerary, number of travelers or baggage support the choice of a larger vehicle. The traveler is responsible for obtaining the best available rate commensurate with the requirements of the trip. When the traveler uses a rental car also for a personal side trip, he or she is expected to pay the appropriate portion of both the per-diem and the mileage expense.

The Corporation's insurance company currently provides liability and physical damage coverage if a vehicle is rented in the Corporation's name in the U.S. or Canada. Therefore, if similar coverage is offered by the rental company, it should be declined in these circumstances.

##### **iii) Miscellaneous Automobile-related Expenses**

Charges for parking, ferries, bridges, tunnels, or toll roads while an individual is traveling on Corporation business will be reimbursed.

#### **B. Air Travel**

Whenever practical, travelers are expected to use tourist, economy, coach or "standard" accommodations for air travel. The Corporation discourages more than three employees traveling on the same flight.

Travelers may retain Corporation business frequent flyer mileage credits for personal use. However, air carrier selection cannot be biased by the traveler's frequent flyer affiliation. The lowest cost air travel should take precedence after considering departure/arrival times and number of stops.

### **C. Surface Transportation Used in Lieu of Air Travel**

If advance approval has been obtained, a traveler may use surface transportation for personal reasons even though air travel is the appropriate mode of transportation. The cost of meals and lodging, parking, mileage, tolls, taxis, and ferries incurred while in transit by surface transportation may be reimbursed. Such costs shall not exceed the cost of airfare, based on the cost of regular coach fare available for the location of travel from a standard commercial air carrier plus transportation costs to and from the airport.

### **D. Other Forms of Transportation**

Rail, shuttle, subway or bus transportation may be used if it is convenient and less expensive than alternative transportation or it saves time. If a traveler's destination is served by a regularly scheduled airline, the use of rail or bus transportation shall be reimbursed in accordance with the procedures specified under Surface Transportation in Lieu of Air Travel.

### **E. Food and Lodging**

Lodging, meals, gratuities and related miscellaneous expenses while an individual is on travel status for the Corporation will be reimbursed in their actual, reasonable amounts when properly documented. Gratuities should generally not exceed 20% of the total bill and are reimbursable if a restaurant receipt is submitted. Generally, hotel housekeeping gratuities are reimbursable up to \$5 per day. Accommodations are expected to be comfortable and appropriate to the particular purpose of the trip-not luxurious or extravagant. Wherever possible, the Corporation's New York State sales tax exemption should be claimed. Tax exemption letters are available from the Finance Department.

### **F. Miscellaneous Travel Expenses**

Examples of miscellaneous travel expenses that are reimbursable are the following:

- Reasonable tips for baggage handling, etc.
- Business telephone or internet calls and occasional, reasonable personal calls.
- Highway and bridge tolls.
- Necessary parking fees.
- Small supplies on an emergency basis
- Fees for visas, passports, and inoculations are allowable when they are a specific and necessary condition of fulfilling a work assignment.
- Cab gratuities, generally not exceeding 20% of the total cost of the cab ride.

## **G. Travel Expenses Not Reimbursed**

Expenses that are not reimbursable include:

- Lost or stolen tickets, cash, or personal property.
- Fines.
- Accident insurance premiums (the Corporation provides workers' compensation and accidental death and disability insurance to employees).
- Child, pet or house-sitting expenses.
- Penalties or fees for cancellation or change of discounted tickets when the cancellation or change came about from personal rather than Corporation choice.
- In-room movie or video game rentals.
- Hotel mini-bar charges.
- Dry cleaning (unless the Corporation requests that the traveler extends their regularly scheduled trip or when the traveler is away from home for more than six days).
- All costs pertaining to spouses, partners or other non-Corporation personnel accompanying the traveler
- Tobacco products

The above listings are not all-inclusive and items not listed will be reviewed on a case-by-case basis.

## **Section 2: Conferences and Seminars**

Reimbursement of conference and seminar fees and related hotel and meal expenses will be limited to those reasonable, necessary, approved expenses which are reported in an Expense Report with supporting receipts or documentation. The Corporation will only reimburse reasonable meal and beverage expenses of guests when the purpose of the meeting is to discuss Corporation business. If this is the case, the Corporation requires that the traveler provide a listing of the guests whose costs are being reimbursed, their organization and title and the business purpose of the meeting.

If a conference registration fee includes an extra charge for social activities, such as site-seeing tours, golf outings, etc., these charges are considered personal expenses and will not be reimbursed.

## **Section 3: Dues of Professional or Technical Organizations**

Dues for approved memberships in professional or technical organizations are reimbursable when they are related to the employee's job responsibilities.

## **Section 4: Meals & Entertainment**

There are occasions when the Corporation may provide meals and light refreshments to Board or committee members, officers, employees, guests or visitors to support the mission of the Corporation. As with other Corporation expenditures, authorized officials must exercise prudent business judgment in reviewing proposed expenditures for meals and light refreshments based on their reasonableness and benefit to the Corporation and its mission. In addition, such expenditures should be cost effective and in accordance with the best use of Corporation administered funds.

Meals and entertainment costs of a spouse or partner will only be reimbursed if their presence serves a business purpose (such as if he or she has a significant role in the proceedings or makes an important contribution to the success of the event). Official functions to which spouses or partners are invited as a matter of protocol or tradition may be considered as bona fide business-related activities if their inclusion serves a legitimate business purpose.

### **4.1 Employee morale-building activities Exception**

The cost of meals, light refreshments and entertainment for official employee morale-building activities that serve a Corporation business purpose may be reimbursed as an exception to this Policy. Examples of such occasions include a gathering to honor a departing employee who is retiring or who is separating from Corporation employment, employee recognition receptions, annual staff picnics, and holiday gatherings. Employee gifts and/or celebrations for milestone anniversaries (ex. 10, 15, 20, 25, etc.) are also allowed. Celebrations and/or cakes for employee birthdays or for Corporation interns are not reimbursable.

### **4.2 Entertainment Expenses Not Reimbursed**

Expenses that **are not reimbursable** include:

- Entertainment expenses that are lavish or extravagant under the circumstances;
- Entertainment expenses for birthdays, weddings, anniversaries, or farewell gatherings (excluding the morale-building expenses referenced in section 4.1 above).
- Memberships/dues for private clubs, unless such membership is determined by the Board and/or Members to be appropriate for the conduct of Corporation business in accordance with its corporate purposes.
- Adult entertainment

## **Section 5: Advances**

Cash advances are not generally provided because individuals who travel regularly on Corporation business are encouraged to use their personal credit cards to charge their travel expenses.

If hardship would result or for travelers without a personal credit card, cash advances can be obtained from the Finance department. To obtain an advance, the traveler must complete a "Request for Cash Advance" form which must be approved by both the CFO and President (or CFO and the Chair of the Audit Committee in the case of the President). Any excess of cash advances over allowable out-of-pocket costs must be promptly refunded to the Corporation.

## **Section 6: Reimbursement Approval**

Reimbursement may be requested as soon as the individual has made the expenditure, completed their Expense Report and had it approved. Expense Reports must be approved by the President or Vice-President (or Chair of the Audit Committee in the case of the President). The individual approving the Expense Report should not have personally benefited from the expenditure. If the Corporation Chairperson benefited from the expenditure then the Audit Committee Chair must approve the Expense Report. If both the Corporation Chairperson and the Audit Committee Chair benefited from the expenditure then the Board or Members of the Corporation must approve the Expense Report.

In approving a request to reimburse an individual for expenditures authorized under this Policy, the approving authority must determine that:

- The expenditure serves a clear and necessary business purpose or benefit to the Corporation and its mission.
- The expenditure of funds is reasonable, cost effective, and in accordance with the best use of Corporation administered funds;
- Any alternatives that would have been equally effective in accomplishing the desired objectives were considered.

Individuals may not approve the reimbursement of their own expenses. In addition, an employee shall not approve the expenses of an individual to whom he or she reports either directly or indirectly.

Original, dated receipts or bills are required for hotel, car rental and airline expenditures and for any other item of expense exceeding \$25. Other out-of-pocket expenses should be listed by date, type, and purpose on the traveler's Expense Report.

If a required receipt is lost or unavailable, a written explanation of the circumstances must accompany the reimbursement request.

### **6.1 Expenses Charged directly to the Corporation**

Certain expenses may be paid directly by the Corporation through check, ACH or other direct payment methods. Examples include such items as airline tickets, rental

cars, accommodation and seminar registration fees. The fact that certain allowable business expenses may be paid directly by the Corporation does not relieve a traveler from complying with the substantiation requirements of this Policy (original receipts, airline tickets and other supporting documentation must be attached and details provided regarding any guest costs).

Fees for membership in credit card reward programs where the beneficiary of the rewards is the individual are not reimbursable.

## **Section 7: Expenses in Foreign Currency**

For expenses paid in foreign cash, the exchange rate at which the traveler bought the foreign currency applies, and a receipt for the purchase of that currency should be kept and attached to the Expense Report.

## **Section 8: Taxability of Reimbursements**

In general, where the individual supplies a detailed accounting of bona fide business expenses to the employer, the amounts reimbursed are not taxable income to the traveler. It is therefore in the traveler's interest to carefully follow the Corporation's procedures for reporting and documenting expenses.

## **Section 9: Policy Exceptions**

On rare occasions, exceptions to this policy may be required. Exceptions may only be made with prior written approval by the BUDC Board Chair or Vice Chair.

## Buffalo Urban Development Corporation (BUDC) Summary of Employee Benefits (2019)

*Subject to change at the discretion of BUDC, the following benefits are offered or provided to BUDC Full-Time Employees and Part-Time Regular Employees in 2019\*:*

**Health Insurance:** BUDC offers the BlueCross BlueShield Platinum Standard plan, which is made available immediately upon hire. Employees are required to contribute ten (10) percent of the cost of a Single or Family premium. If an employee maintains comparable health insurance coverage and they “opt out” of the BUDC plan, they are paid a portion of the applicable savings to BUDC, as outlined in the employee manual. If an employee or spouse reach age 65 and become Medicare-eligible, BUDC requires enrollment in an individual Medicare Advantage plan. BUDC will provide a stipend to the employee equal to the following: 100% of the individual Senior Blue 651 Medicare Advantage plan premium (\$1,428 annually for 2019) plus \$1,608 annually to cover the Medicare Part B premium. These amounts are reviewed annually and adjusted as necessary. If an employee or spouse wishes to obtain a Medicare Advantage plan at a higher cost, the employee is responsible for paying the difference in premium.

**Dental Insurance:** BUDC provides dental insurance coverage through a Lincoln Financial group policy, which is made available immediately upon hire. The policy premium is fully-paid by BUDC.

**Long-term Disability Insurance:** BUDC provides long-term disability insurance through a Lincoln Financial group policy, which is made available immediately upon hire. Coverage begins after ninety (90) days of disability and provides for up to seventy (70) percent of an employee’s gross salary, with a maximum benefit of six thousand dollars (\$6,000) per month. The policy premium is fully-paid by BUDC.

**Life Insurance:** BUDC provides life insurance through a Lincoln Financial group policy, which is made available immediately upon hire. Coverage is for one (1) times an employee’s gross wages, with a maximum benefit of seventy thousand dollars (\$70,000). The policy premium is fully-paid by BUDC.

**Retirement:** After nine months of employment, BUDC provides quarterly retirement plan contributions equal to twelve (12) percent of an employee’s gross wages during the preceding quarter. The payment is made directly to the employee’s individual SEP account, which must be registered with the BUDC CFO.

**Section 125 Plan:** BUDC offers a “Section 125 Plan” that allows employees to make contributions toward out-of-pocket medical expenses or dependent care expenses on a “before tax”, rather than “after tax”, basis.

**Paid Holidays:** BUDC provides Full-Time Employees and Part-Time Regular Employees with twelve (12) paid holidays per year. They are listed in the BUDC Employee Manual. Part-Time Regular Employees are eligible for holiday pay in proportion to the number of hours they are normally scheduled to work. Part-Time Employees are not eligible for holiday pay.

**Paid Family Leave:** Since January 1, 2018, BUDC is required to offer paid family leave under New York State’s new Paid Family Leave (PFL) statute. PFL provides paid time off so an employee can:

- bond with a newly born, adopted, or fostered child;
- care for a family member with a serious health condition, or;
- assist loved ones when a family member is deployed abroad on active military duty.

**Vacation, Personal and Sick Days:** After a ninety (90) day Introductory Period, BUDC provides all Full-Time Employees with fifteen (15) vacation days per year, three (3) personal days per year and nine (9) sick days per year. Employees with ten (10) or more years of service receive an additional five (5) days of vacation per year. Part-Time Regular Employees are eligible for vacation, personal and sick pay in proportion to the number of hours they are normally scheduled to work. Part-Time Employees are not eligible for vacation, personal or sick pay. Note:

- The Introductory Period does not apply to those employees hired as of January 1, 2012. These employees have an “anniversary date” that corresponds to the date they were originally hired by ECIDA.
- Any sick leave that exceeds five consecutive working days requires satisfactory documentation from a physician or similar medical professional.
- The BUDC President must approve all sick leave requests when an individual employee's sickness record indicates frequent, patterned or persistent levels of absence.

**Carry-over of vacation and personal days into following year:** The number of vacation and personal days that can be carried over into the following year is limited to one year of vacation and one year of personal day entitlements. If vacation and personal days exceed the maximum carryover amount at December 31<sup>st</sup>, the excess days are forfeited. Waivers are not permitted.

**Carry-over of sick days into following year:** The maximum number of sick days that can be carried over to the following year is limited to sixty (60) days. If sick days exceed this maximum at December 31<sup>st</sup>, the excess days are forfeited. Waivers are not permitted.

**Payment for accrued vacation, personal and sick days upon termination of employment:** Eligible employees who provide at least two weeks advance written notice of their resignation, or employees terminated without cause by BUDC, are paid for earned but unused vacation and personal days. Unused sick days are not paid upon separation. Employees that are terminated for cause from their employment with BUDC are not paid for any earned but unused vacation, personal or sick days.

**Professional Associations:** BUDC encourages and supports continued employee participation in appropriate professional organizations and may pay the costs of such participation when pre-approved.

**\*Categories of Employment:**

*Full-Time Employees* regularly work at least a 37.5 hour workweek.

*Part-Time Regular Employees* regularly work at least 22 hours or more each week.

*Part-Time Employees* work less than 22 hours each week.
