

NORTHLAND BELTLINE BROWNFIELD OPPORTUNITY

Join us for a

PUBLIC MEETING!

Mayor Christopher P. Scanlon

What is the Plan?

The Northland Beltline BOA (Brownfield Opportunity Area) will be Buffalo's fifth designated BOA, and the only one located in East Buffalo. The focus area is located within the Delavan Grider, Martin Luther King Park, and Genesee-Moselle neighborhoods. This project will result in a community based plan to effectively redevelop brownfields and other vacant and abandoned sites, transforming them into catalytic properties that facilitate community investment and improvements!

Why should you join?

Join us for an exciting opportunity to learn about the Northland Beltline BOA and be a part of shaping the plan! The project team will present an overview of the BOA process, the project goals, and how your participation will be incorporated.
