

NORTHLAND BELTLINE BROWNFIELD OPPORTUNITY

Join us for our second PUBLIC MEETING!

What is the Plan?

The Northland Beltline BOA (Brownfield Opportunity Area) will be Buffalo's fifth designated BOA, and the only one located in East Buffalo. The focus area is located within the Delavan Grider, Martin Luther King Park, and Genesee-Moselle neighborhoods. This project will result in a community based plan to effectively redevelop brownfields and other vacant and abandoned sites, transforming them into catalytic properties that facilitate community investment and improvements!

Why should you join?

Join us for an opportunity to learn more about project progress, including preliminary ideas and recommendations around site revitalization, neighborhood development, placemaking, connectivity and more. Your feedback and ideas are important to help refine the plan!
